Commissioner for Patents

The reply filed on 03/06/06 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicant's arguments to the previous Non-Final Office Action mailed 01/04/06 are not present. It is noted that a two month response period for filing the replacement drawings was inadvertently included in the previous office action. Filing of the replacement drawings was intended to be a part of the complete response to the prior office action. Therefore, since the response to the prior office action was not included in the applicant response filed 03/06/06, it does not constitute a complete response. Filing the rest of the response to the prior office action would be remedial. See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Paul C. Martin whose telephone number is 571-272-3348. The examiner can normally be reached on M-F 8am-5pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Terry McKelvey can be reached on 571-272-0775. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
